SOPAN FUKE

Full Stack MERN Developer

✉ fukesopan880@gmail.com 📞 +91 8806629221 in linkedin.com/in/sopan-fuke-47265033a

PROFESSIONAL SUMMARY

Proactive Full Stack MERN Developer with hands-on experience in designing, developing, and deploying scalable web applications. Skilled in React.js, Node.js, Express.js, and MongoDB, with expertise in secure authentication, REST APIs, real-time data handling, and responsive UI design. Strong problem-solving abilities with a focus on performance optimization, user experience, and cross-device compatibility. Seeking an entry-level developer role to contribute technical skills and innovative solutions.

PROFESSIONAL EXPERIENCE

Web Development Intern, *Y Hills Ltd*   01/2025 – 06/2025

- Developed and deployed MERN stack applications with secure JWT-based authentication and session handling.
- Implemented a live avatar preview feature, improving user engagement and interaction speed by 20%.
- Designed responsive Uls using React.js and CSS, ensuring cross-device compatibility.
- Integrated MongoDB for storing and retrieving user profiles and avatar data.
- Built a full-stack rental booking platform with dynamic property listings and secure booking management.
- Developed a real-time stock price tracker using WebSockets, handling 50+ live updates per second.
- Optimized performance by 30% through code splitting and caching strategies.

EDUCATION

Master of Computer Applications (MCA), *Sant Gadge Baba Amravati University*   2023 – 2025

CORE SKILLS

Frontend
HTML5, CSS3, JavaScript (ES6+), React.js, Tailwind CSS, Bootstrap

Database
